

Application form for international exchange students

First Name, Last Name:
E-mail:
Exchange Program (e.g. ERASMUS or DAAD):
Program of study at your home University (e.g. Bachelor of Science Biology):
Number of semesters studied at your home University:

Please fill in the application form and send it to Beatrix Dünschede (studienberatung-bio@rub.de). Deadlines for application are **September 15** (winter term) and **March 15** (summer term), respectively. Beatrix Dünschede will inform you about the courses/modules you are enrolled in (by the beginning of October and April, respectively).

1. Practical courses of the basic studies: (only in case of excellent German skills)

Can you prove very good German skills (at least level B2)? Yes No

If "Yes": Please fill in the practical course/courses (Biochemistry and Biophysics; Genetics; Animal Physiology; Plant Physiology) you are interested in:

2. A-modules:

Please fill in your A-modules of interest starting with the module of highest priority. Please just choose courses for the upcoming semester. **There is no guarantee to get your first choice!**

Priority	A-module number	Name of the A-module
1		
2		
3		

3. S-modules:

Please name the institute/s (of the Faculty of Biology and Biotechnology) in which you are interested to perform an S-module. Information about the different research institutes can be found here:
